Foreword

In this age of machines, what could be more fitting to use as a theme for our Amygdaloid than transportation? With the hope that in future years modern transportation will bring this class of 1937 together for as good times as we have had during our four years of high school, we present this book to you.

As an expression of gratitude for his thirty-eight years of untiring service and unfailing loyalty to our school, we wish to dedicate this 1937 Amygdaloid to

...A Word of Parting...

Classmates, do you remember, when your first High School year began,
You met with new friends you cherised fond and dear,
And the thoughts of ever leaving them were considered anything but near.

And those four years have ended, where they went we do not know,
But that graduation time has come, and we're about to go.

From our High School we shall wander very far apart,
But the thoughts of school days and school pals, will remain within our heart.

Our High School pranks are over and High School lessons too,
And now the time has come to bid our friends adieu.
In this parting, let us remember, that new friends we have to make
Hardships and sufferings we will also have to undertake.

But remember where e'er you go and what e'er you will do,
That the thoughts of our old pals would remain with the new.

And as a word of parting may we bid them all adieu,
Our teachers, friends, and sponsors, and every single "you."

One of the big squabbles of this year's Senior class was whether the "Amygdaloid" should be published. After much discussion among the classes the popular vote was in favor of a big "Amygdaloid." A staff was then appointed by Mr. Thomas, which immediately swung into action.

A great deal of credit goes to the Editor-in-chief for her effective supervision, to the Business managers for their excellent salesmanship, to the Art Editors for their sketching ability, to the Athletic Editor for his interesting sport articles, and to the typists who willingly gave their services at any time. The staff as a whole put in many hours of hard work in preparing this "Amygdaloid."

The "Amygdaloid" staff takes this opportunity to thank Mr. Edwards, our advisor, and Mr. Thomas, who have helped us over many rough spots and all others who rendered their services to make this book a success.

THE SENIOR GIRLS' CLUB

The senior high girls' club was organized this year as usual, and the following officers were elected:

President ..... Ruth Swift
Vice-President ..... Elsie Honkala
Secretary ..... Barbara Frimodig
Treasurer ..... Dorothy Merril

The various committees of the club were very active this year. At Thanksgiving the social service committee, with Mary Wieber as a leader, solicited food and made up a very nice basket for the Juvenile Home.

The entertainment committee, under Mary Banks, has become quite experienced in the art of preparing food for numbers. When the L'Anse boys came here to play our team in basketball, the senior girls fed them. However, the visiting squad was larger than was expected and we ran rather short of sandwiches.

Later in the year, when our music teacher, Mr. Senob, was married, we joined with the teachers in giving a combination shower and tea. This time, however, we were well prepared and had plenty to eat. The teachers gave a kitchen shower, and later the glee clubs combined in presenting them with a lovely lamp.

The sick in the school have kept Carmen Wimmer, the chairman of our Friendship Committee, busy sending notes and flowers.

"Nony" Bourgeois, with the help of her committee and Miss Siewert, presented us with many interesting and original programs during the year.

The pep committee is losing a very valuable leader this year when Emma Curnow graduates. Both Emma and Hattie Stone have been faithful cheerleaders for the last four years, and for the last three years Emma has had chrge of all the pep meetings and of choosing the new leaders. This year three new girls were chosen—Lorraine Tredray, Eleanor Johnson, and Helen McCartney.

Under the watchful eye of Lillian Etapa, many things, both valuable and otherwise, were found and brought to the office for safe-keeping until claimed by the owner.

As a closeup for an eventful year of the club, we sent fifteen delegates to the Older Girls' conference which was held in Calumet on Saturday, the 17th of April. The following girls were chosen as delegates: Mary Banks, Emma Curnow, Mary Messner, "Nony" Bourgeois, Lillian Etapa, Rosaline Fiera, Ruth Swift, June Jennings, Serene Simons, Mary McManiman, Mildred Laitanen, Lea Flink, Bernice Gregory, Alyce Gamble, and Katherine Ryynanen.

Thanks to the faithful guidance of Miss Siewert, the club completed the year with the feeling that it had been a very successful one.

JUNIOR HIGH SCHOOL GIRLS' CLUB

At the September meeting of the Junior High School Girls' Club, the following officers were elected:

President ..... JoAnn Carlson
Vice-President ..... Barbara Yeip
Secretary-Treasurer ..... Ann McCall

Interesting and entertaining programs were given in the Auditorium under the direction of Jeanne Abramson while the Gymnasium activities in charge of Eleanor Richards were heartily enjoyed.

One of the outstanding events of the club was the Dad-Daughter night on March 15. The entertainment opened with a varied program in the Auditorium consisting of plays, dances, readings, and numerous musical selections. Following this the party was continued in the Gymnasium where stunts and "get-acquainted" games helped to create a friendly atmosphere. The attractively decorated table together with an abundance of food contributed to the success of the party. Last but not least was a spirited baseball game between two groups of men which afforded much merriment. Everyone declared the evening a decided success.

Much credit for the club's activity should go to the constructive leadership of our President, the faithful committee chairmen, and to our sponsors, Miss Siewert and Miss Kennedy.

THE REPRESENTATIVE ASSEMBLY

The Representative Assembly of Houghton High School has now ended its second successive year of being. It is accomplishing its primary purpose—to help settle the individual and group problems of the student body.

The feeling which a job well-done inspires is now pervading the assembly, for the idea of a student activity fund has been eagerly grasped by the majority of the students and has thus enabled more activities to take place.

The group now consists of twenty-six students representing the six grades of Junior and Senior High School. The officers for the current year are:

President ..... William Hodge
Vice-President ..... Mary Reynolds
Secretary-Treasurer ..... June Jennings

The representatives are:

THE OPERETTA — "HOLLYWOOD BOUND"

Under the direction of Mr. and Mrs. Senob, the Boys' and Girls' Glee Clubs accompanied by the orchestra, presented the operetta, "Hollywood Bound," on May 13.

As the name indicates, the operetta centers around movie production in Hollywood. Bob Kent, a young inventor, has perfected a new film process which is called "Vericolor." After a flat failure, Mr. Norton, who has been backing him, withdraws his support and gives Bob a week to get out of the studios.

With the help of Windy Bryan, Bob refilms the end of his show which has been destroyed through the treachery of a few of their so-called "friends." After disposing of one difficulty after another, the show is finally filmed and the success of Vericolor is demonstrated to the entire satisfaction of every one, including Mr. Norton.

The Chinese detectives, Wun Hop and Hi De Ho, discover the identity of the malefactors who have been working against Bob, and the show ends with the prospect of a wedding in the near future.

SENIOR PLAY — "THE TREASURE CHEST"

On February 16, "The Treasure Chest" by Manta S. Graham, was presented by the Senior Class under the direction of Miss Lees.

After several weeks of faithful practice, the amateurs made their debut. The play proved a great success and was enjoyed by a large audience. The plot centered around Erica, who, in her attempt to make a place for herself in her new school and among her new friends, tried to put her Norwegian ancestry behind her. Her mysterious air only added to her friends' doubt and when the truth of her ancestry was learned, her friends eagerly accepted her.

Ole and Sigrid, the life-long Norwegian servants, kept the audience howling with their Norwegian dialect and humor. The Norwegian costumes and dances added a touch of color and romance to the plot.

The cast presented Miss Lees with a leather purse in appreciation of her work.

The cast is as follows:

Mrs. Nelson	Ann Kennedy
Erica Nelson	Mary Wieber
Sigrid Halverson	Esther Moykkinen

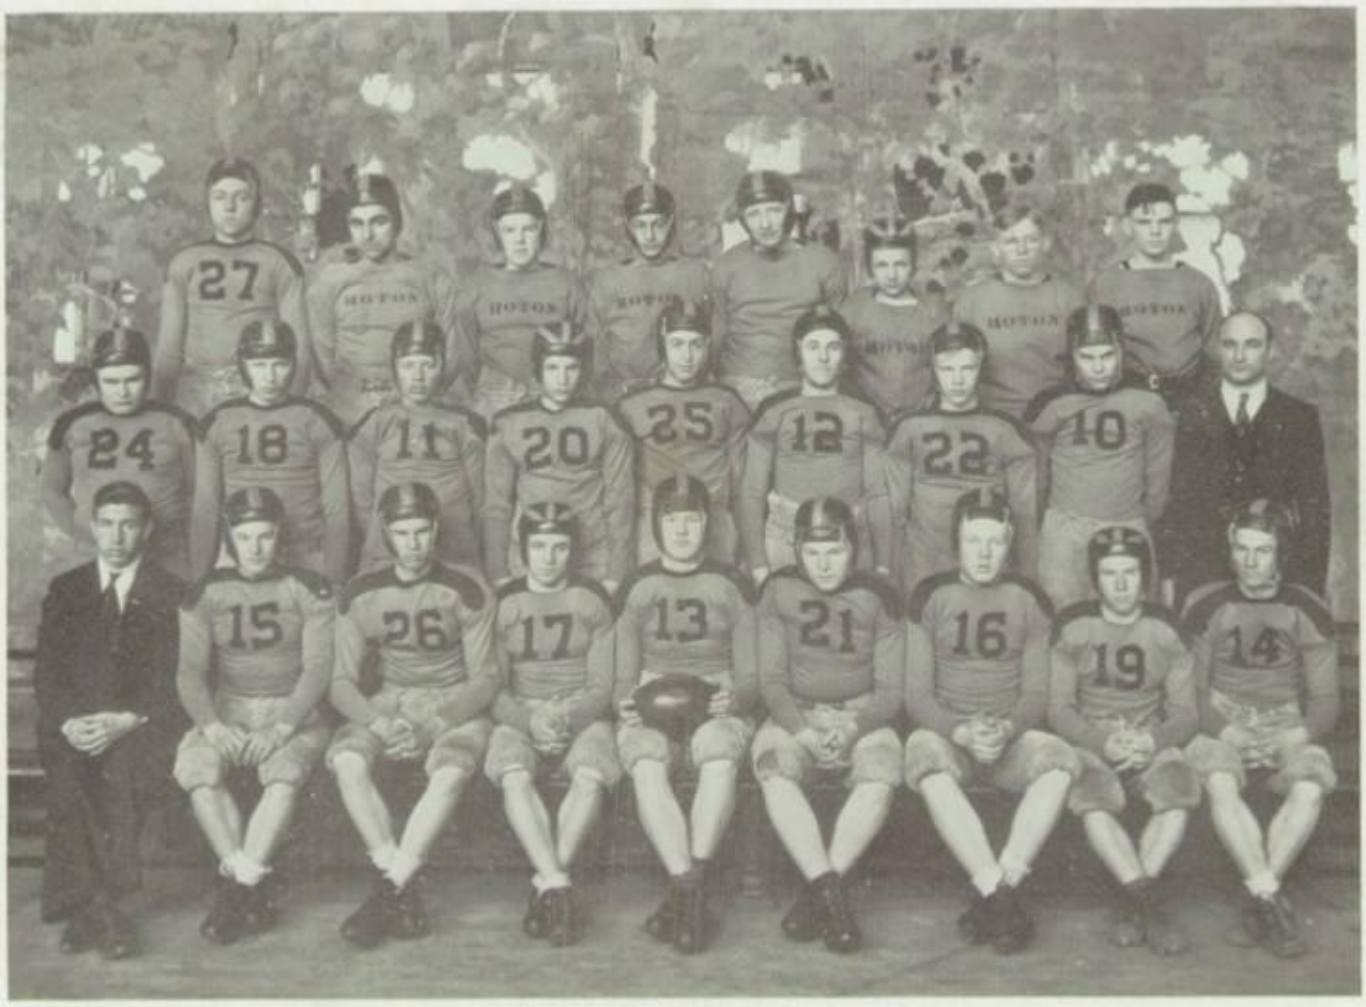
FOOTBALL TEAM



First Row—Manager Stone, Schorg, B. Shiroda, Nelson, Lauren, Kangas, Bonefant, Robillard, R. Shiroda.

Second Row—McGuire, Keranen, Wiitanen, Ruhl, Lang, Hobba, Atkin, Meyers, Mr. Bugni.

Third Row—Klein, Kirkish, Marti, Ayoub, Datson, Lenz, Caspary, Pearce.

The season started against Hancock with a bang and a crash—mostly a crash. Three of the boys were hurt. "Augie" Sibilsky and "Eddy" Nelson went out with shoulder injuries and were out for the rest of the season, while "Mush" Provost went out with a bad heart. Hancock won 6-13.

On Wednesday of the following week "Bob" Robillard broke his collar bone during scrimmage, thus losing the fourth man before the second game.

The next game was with L'Anse. "Bernie" Shidora snagged two passes with "Bernie" Ruelle on the passing end, for two touchdowns. Houghton won 12-0.

The following week Captain Jim Brey went over for two touchdowns. The final score was L'Anse 0, Houghton 12.

From that game on the boys couldn't get going. We lost two games to Lake Linden, one to Hancock, and Calumet beat us there

"Bob" Lauren made the all-conference first team, while "Bernie" Shiroda and Captain Jim Brey made the second team.

Next year it is thought that Houghton will support a winning combination.

BASKETBALL TEAM

First Row—Bourgeois, J. Brown, Nelson, B. Shiroda, Dries, Schorg.

Second Row—Mr. Bugni, Starkweather, Pearce, Marti, Hobba, Caspary, D. Brown, Manager Stone.

Third Row—Wisti, Lenz, Caspary, Karanen, Wiitanen, R. Shiroda, Wesala, Ayoub.

The same year-old jinx came this year as last. The boys were beaten in the last quarter in almost every game, but to console these hard breaks, we took our friends from across the river down two times.

We lost our first four games to L'Anse, Lake Linden, Dollar Bay, and Calumet respectively. All except the Dollar Bay game were lost in the last quarter. The heartbreaker of these games was the one with Calumet which we lost in the last four minutes.

Then we met Hancock, and after two overtimes, and two minutes of a third overtime, Dries sank a dog shot, thus ending one of the best games seen in a long time.

The boys went into a five-game slump, getting beaten twice by Painesdale, and once by Lake Linden, L'Anse, Dollar Bay, and Calumet.

Brey and Nelson were lost from the team in February, but the juniors plugged the holes very well.

Again Hancock came to pay us a visit, of course, this time for revenge, but their time had not come and again the boys put them away in a neat style. This time Tommy Keranen "took the honors" by sinking a one-hand out shot in the last 15 seconds of play.

But now we came to the end of our luck in a third game with Hancock. With two seconds to play, Hancock sunk a shot to beat us in the first class B game of the tournament at Painesdale.

We certainly have to hand it to the boys, especially to Captain Bernie Shiroda who played good ball from start to finish. He certainly made a good captain. The other bright star on our horizon was John Brown, who was one of the best all-around forwards we have seen for a long time. He made 18 points in the tournament which is good shooting and he had been doing that all season.

Next year, it is wisely said, Houghton will not only put a fast outfit on the hardwood, but also a combination of **real fight.** They ought to go far, and they will.

TRACK

This year's track team got off to rather a late start as a result of our long winter. We have only one letter-man back on the team this year—Captain Bud Klenner—but from various signs, we don't expect to do so bad in the meets.

Are Banks Essential to Community Welfare?

Yes, we believe that banks are decidedly essential to community welfare. Our modern business structure is so complete that it could not function without banks. As a simple illustration, more than 90% of all the business in this country is carried on by payments with bank checks.

Banks are the active hub of practically all business and financial transactions. Day in and day out they render useful, needed financial services. They furnish depositors with a safe, convenient place to keep money. They make loans to local borrowers of business ability and integrity. They furnish employment to local people and aid in making it possible for other activities to do so. They participate—directly and indirectly—in civic enterprises.

Among the many elements essential to the success of a bank our officers and directors believe the most important is soundness built on the enduring foundation of community usefulness.

Remember LAST WINTER'S Fuel Bills?

● High—weren't they—with all that record-breaking sub-zero weather? Yet there were thousands of home owners whose fuel bills were far less than usual—people who enjoyed the remarkable economy of the Whiting Stoker. By installing this automatic coal burner they wasted no fuel and they were also able to use lower-priced coal.

You don't want to pay high fuel bills again this winter. That's reason enough to install a Whiting Stoker. But you also get the luxury of automatic heating. That's why sales of Whiting Stokers were ***four*** times as great last season as ever before. Phone or call. Let us show you what Whiting owners say.
